

## Contact Tracing Log for Edmonton Triathlon Academy

All players, coaches, volunteers and parents/guardians who drop off their children must be included in this log. The log can be electronic or completed on site by a responsible adult.

The information collected on this document is being collected to assist in the management of the Covid-19 pandemic. This information will be kept in a safe and secure location and will be provided to AHS if it is requested for contact tracing services. This log must be provided to Triathlon Alberta upon request.

Edmonton Triathlon Academy will not use this information for any other purpose and will destroy this record after six weeks.

Under Privacy Regulations you have a right to access and correct any information that is held about you.
